Astica Foundation's annual Movember campaign for prevention of prostate cancer and encouraging men in their 50s to perform prophylactic examinations with a urologist. The initiative is being held in November, dedicated to men's health, the campaign is being implemented with Erasmus + volunteers under the European Voluntary Service and the European Solidarity Corps.

Erasmus + Volunteer Tolerance Day at Hristo Botev Primary School, Vetren Quarter in Burgas

This cutie on the left is our new friend in office. His name is Mustafacan. He is quite shy and kind. He gives positive energy on Mondays to all volunteers.

when Urfa* is so miles away
there is a deep thing in my heart
the way you make your hair honey
makes me feel your love immortally
